

Osprey Monitoring Field Observations

Thank you for being an Osprey Monitoring Volunteer! Please use this form to record your observations in the field for a SINGLE nest site. Please, use a separate form for each nest. Observations are needed at least twice per month between April and July. Document observations on this form and submit the data via the online data submission riospreys.info/data. At the end of the season, please submit this datasheet to Jon Scoones. Email: jscoones@asri.org or Fax: 401-949-5788 or Mail: Jon Scoones, Audubon Society of RI, 12 Sanderson Rd., Smithfield, RI 02917.
